"But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have, but do this with gentleness and respect."
1 Peter 3:15

To paraphrase a popular book and TV series, "Summer is coming." I love summers at Discover Church. We don't slow down, we are just busy in different ways. We celebrate our graduates at the beginning of the season. At the height of summer, the youth go away on a mission trip. Toward the end, Vacation Bible School (VBS) takes over our church campus for a week to teach our children about Jesus. VBS not only welcomes children who attend church regularly but also children in our neighborhood.

This summer we are adding a few more things to our schedule. In June we are hosting a Via De Cristo weekend. These retreats are transformative and I am glad that our church can support this important ministry. It also fits well with our vision statement – "Inviting all people to discover their full life in Christ." People who go through this retreat gain a deeper understanding of God's grace, as well as a way to respond to that grace. If you are a guy, the weekend is June 8th -11th. The women's weekend will be in early fall. If you are interested call me and I will get you set up.

Do you remember how much fun we had at our outdoor service last year? This summer we are going to have three outdoor services: one each in June, July and August. I want to encourage you to be a part of these services. If they are anything like last year's outdoor service, they will be a lot of fun. I would also encourage you to think about who you can invite to these services. It would be a great way to introduce folks to our congregation. I would encourage you to start thinking and praying about it right now.

The one thing that all of these activities have in common is that they all "*revere Christ as Lord*" and they are ways that we can share the hope that we have in Jesus Christ. I encourage you to enjoy the beginning of Summer and the change of pace here at Discover Church.

From Pastor La's Desk Pastor La Andriamihaja

Last month, on May 16th, I attended a meeting called, “**Congregational Convening**” at Colonial Church of Edina. It was sponsored by Beacon Interfaith Housing Collaborative, the umbrella organization of Families Moving Forward (FMF). In attendance were over 120 people representing various congregations in Hennepin and Carver counties that collaborate and are committed to ending homelessness in Minnesota through Beacon. I was there as a Beacon Board member and a representative of Discover Church.

At this convening, I had the privilege of meeting a lovely young woman named, Jotta, who is a member of a five year old new church-plant in Shakopee. She shared with me that she came to the convening with the passion and commitment of her small “homeless church.” When I asked her to explain what she meant by a “homeless church,” she quickly and enthusiastically replied, “Well, we don’t have a building of our own; ...we use the auditorium of an elementary school in Shakopee. But despite this fact, we have been hosting Families Moving Forward, two or three times a year... It’s ironic, huh? ...a homeless church hosting homeless families.” Moved and inspired by her explanation and obvious passion, I fought back my tears and asked her, “What calls your small congregation to help homeless families in this way?” Again, with full conviction and dynamic passion, Jotta smiled and declared, “It’s what Jesus would have us do with those who can’t do for themselves!” Again, I felt my tears well-up in my eyes and all I could do was nod in total and complete agreement. Yes, it’s what Jesus would have us do, indeed.

Friends, this month I would like to re-ignite our congregational passion and commitment to ending homelessness in the Metro Area and throughout Minnesota through Beacon and the collaborative efforts of over 80 different congregations. For the last 6 years, we’ve faithfully and lovingly been a partner in this mission to end homelessness by opening our doors and our building to shelter homeless families for 2 to 4 weeks a year. I am extremely proud of the passion and the Jesus-like compassion that our FMF volunteers have shown in these past years, and I hope we will continue to do so, even more passionately through many years to come. A very special thanks to Ken and Staci Kruse, and their band of faithful leaders for coordinating and organizing us to be a vital partner in ending homelessness through FMF.

On Sunday, June 11th, I will share more and hope to re-engage and re-affirm our commitment as a congregation to ending homelessness in our Metro Area. According to the latest research, 6,202 people, including children and youth are homeless on any given night in the Metro Area (includes the surrounding suburbs). Every year, developers create about 500 new affordable housing units in the Metro Area with federal, state and local resources. Unfortunately, at such a rate of affordable housing development, “it will take 300 years to end homelessness” in our Metro Area, according to Alan Arthur, the CEO of Aeon, an organization that helps provide homes to those facing the greatest barriers throughout Minnesota. It is my sincere hope and prayer that with the partnerships and collaborations of congregations like ours, we can end homelessness in our Metro Area in less than 300 years. With God’s help, we can do it!

HEROES OF THE FAITH SUNDAY MORNINGS AT 9:15am

Our Heroes of the Faith Series will take a fresh and realistic look at some of our favorite Biblical characters. It reveals their flaws as much as their God-honoring character and encourages us to be authentic about our strengths, our weaknesses, and what we have to offer God.

We've found Joy in our Finances.

About 5 years ago, before Jon and I had taken Financial Peace University, we had found out that one of our friends was feeling called to go on a mission trip, but was about \$300 short of being able to go. Jon and I wanted to give. We were feeling called to give, but we couldn't. We just didn't have the money available.

It was an incredibly frustrating and eye opening experience to feel God calling us to something, and not being able to respond. At that time, we were living pay check to pay check. We had accrued student loans, credit cards, car payments, medical bills and had no savings. We were in debt up to our ears and couldn't spare \$20, let alone \$300. Proverbs 21:20 "The wise man saves for the future, but the foolish man spends whatever he gets." We were living like fools. The Bible warns against serving two masters, and that's exactly what we were doing. Matthew 6:24 says, "No one can serve two masters; for a slave will either hate the one and love the other, or be devoted to the one and despise the other. You cannot serve God and wealth." We couldn't be obedient to God's call because we were living outside of our means, and spending all that we had. We were serving our FICO score, not the Lord of the Universe.

That's when we decided to take FPU. We had heard about it years before, but were reluctant to take it. The last 5 years have not been without their ups and downs for us, but we have been able to pay off all the debts that were holding us back. To go from drowning in debt to paying it all off in 5 years has been an experience that I cannot fully articulate. We have been following Biblical principles of money management. And, most importantly, we only have one master now, so when we feel God impressing on our hearts to give, we can do so unhindered by our circumstances. We can be a blessing to the people around us, by listening to how God is calling us to steward HIS money.

FPU is your road map. It's the 'How-to-Steward-God's-Money-Manual'. The whole process is broken down into manageable steps. I'm not going to lie to you and say that it's all easy. It is without a doubt the most life changing thing Jon and I have done for our marriage and family. Jon and I are on the same page with finances. We escaped the hamster wheel, you know the one where you feel like you are trying so hard, but not making any progress. When Christ is the only master you serve, the rewards are joy and peace. We have found both of those in our finances.

I implore you to take this course. It's Sunday nights throughout the Summer from 6-8pm. If you need to miss a week or two because of vacations or other plans, please sign up anyway. Our class will have its own site on the Dave Ramsey page, where you can make up classes that you may have missed. Childcare will be provided. The course materials cost \$99, you will get access to our FPU course on the Dave Ramsey webpage and a work book. We also have scholarships available, so please do not let the cost of the course be the reason you do not sign up. On that note, if you would like to provide a scholarship, please let me know and we can make that happen. There is a sign-up sheet on the ministry desk, if you are interested in taking FPU this summer, or if you are interested in leading a FPU small group. Please feel free email me at sara.brandon@discoverchurchnetwork.org with any additional questions.

Reflections

Memorial Day By Jean Hansen

If my people called by my Name
Will humble, pray, seek My Face
I will do the same.

I will forgive their sins
Heal their land.
They are my people
With them I will stand.

The One True God
Our relationship with Him
Alpha and Omega
Beginning to the end.

Are we good to one another?
Treating others as sisters and brothers?

Humble ourselves
Pray, seek God continually.
Repent – turn to God
His face we should seek.

A bad leader points to a devil out there
Good leaders look into self
Lay themselves bare
Lets others know how much they care.
A good nation under God - we pray.
God, we pray for our nation
We pray for your healing and restoration

JUNE DEVOTIONAL

Silence is

Sitting in a canoe, dipping a paddle into the river and sailing into the heart of God's love. He is there with us!

I am floating on a river of God's grace and aware that He is pleased with my desire to be close to him. The less I concentrate on myself, the easier it is to float. I can lie back and let the current take me to the destination He has planned for me. Dip, dip and swing. Dip, dip and swing. Dragonflies and butterflies hitch a ride. They add to the beauty of the moment and flit away.

All I have to do is trust and let go!

"Underneath are the everlasting arms."

Holy hugs,
Nancy Brown

Summer Stewardship Campaign

“A CITY ON A HILL CANNOT BE HIDDEN” SUMMER STEWARDSHIP CAMPAIGN

Every summer giving tends to drop, but operating expenses remain the same. It costs \$2,493 each day (no matter the season) to keep Discover Church running. You can help insure that we meet our summer expenses by going to one of the calendars in the foyer. Take a summer bill envelope and use the red marker to put an X through the date! Then make your donation in the amount listed on the envelope and put it in the offering plate anytime. Matthew 5:14 reminds us, “*You are the light of the world. A city built on a hill cannot be hidden.*” We are called to be the light of the world. Your giving allows Discover Church to shine that light! As envelopes come in throughout the summer, we will light up our city in the foyer to show our progress!
